Description

At Jersey Environmental Solutions, we are committed to building a team of dependable, knowledgeable professionals who take pride in protecting public infrastructure and the environment.

We offer opportunities for growth, hands-on experience, and long-term career development within the water and wastewater industry.

We are seeking a motivated and reliable Water/Wastewater Operator to oversee day-to-day operations at contracted client sites. This role is responsible for maintaining system performance, ensuring regulatory compliance, and serving as the on-site representative of our company.

A licensed operator is preferred, but experienced candidates working toward certification will be considered.

Responsibilities

- Perform daily operation and maintenance of water and/or wastewater treatment systems
- Monitor plant performance, process controls, and equipment functionality
- Collect samples and perform routine laboratory testing
- Ensure compliance with all local, state, and federal regulations
- Maintain accurate operational logs, reports, and DMRs
- Troubleshoot operational issues and implement corrective actions
- Coordinate chemical usage, deliveries, and inventory
- Communicate with management, clients, and regulatory agencies as needed
- Respond to alarms, emergencies, and off-hours situations when required

Qualifications

- Active Water/Wastewater Operator License (preferred)
- Experience in water or wastewater treatment operations
- Knowledge of treatment processes (biological, chemical, mechanical systems)
- Ability to work independently across multiple sites
- Strong troubleshooting and problem-solving skills
- Valid driver’s license and reliable transportation
- Ability to be on call as needed

Job Benefits

- Dental insurance
- Flexible schedule
- Health insurance
- Paid time off
- Vision insurance
